

Jackson Hole & Yellowstone National Park

Including:

Grand Teton National Park, Black Hills and Medora

July 15-22, 2012

Join us on the motorcoach for a wondrous adventure through the beautiful **Black Hills** of South Dakota to our featured destination: **Yellowstone National Park** and **Grand Teton National Park**.

Yellowstone, the world's first national park, was created by massive erupting glaciers approximately 640,000 years ago. Today it's dramatic beauty is enjoyed by millions of people.

What better way to see all these wonders of nature than in a comfortable air-conditioned motorcoach.

You sit back and enjoy ...we'll take care of all the driving and details.

We'll work hard to create 8 days full of great memories.
