8-Days: Oslo to Oslo

Deep-blue fjords, breathtaking mountains, and flowing waterfalls...

these are natural wonders you'll experience in Norway... all of this and more.

A highlight of this Norway tour is a breathtaking ride on the Flåm railway, one of the world's most scenic train rides, which passes through 20 tunnels and climbs to an elevation of 2,833 feet. View waterfalls cascading down the side of steep, snowcapped mountains, rivers winding through deep gorges; farms on the side of steep slopes, and views of Sognefjord.

Travel on the Hardanger National Tourist Road taking you through some of Norway's most stunning scenery, stop at Steinsdalsfossen waterfall, and walk behind the cascading falls without getting wet! In Borgund, you'll visit the best preserved Stave Church dating back to 1810.
