You're all together, but everyone gets his or her own vacation!

Meet with the gang each evening for unbelievable dining, a game of shuffleboard in the afternoon, a soak in the unique hanging hot tubs, play a game of pool on the self-leveling pool tables, meet in the Karaoke lounge, OR do your own thing and sleep-in, order room service and relax on your private balcony.

*Oh, did we mention the rock-climbing wall, surf rider and skating rink?
Get the idea? You won't run out of things to do and it's all included, of course!*
